NEW LATTICE YORK
COLLECTION

The name Lattice Collection draws inspiration from its location at the crossroads of Midtown and the Upper East Side, as well as from the interwoven nature of work, travel, and human connection. At The Lattice, dynamic energy and quiet sanctuary are intrinsically connected.

THE
ELYSIA
NEW YORK

DISCOVER YOUR
stillness

Inspired by the word elysium, meaning a place or state of bliss, The Elysia offers a secluded oasis amid the energy of the city. Here, travelers and jetsetters can discover rare moments of stillness, finding calm and restoration in the midst of life's constant motion.
